

## 2019 RMVL Playoffs

### **OVERVIEW**

Each division has been broken out into two pools of four teams. Each group of four will play a round robin of mini-matches. The top two teams from each pool will play in the semi-finals with the winners moving to the final. The bottom two teams in each pool will each play one additional game.

### **NOTES:**

- \* There is **NOT** time allocated for warm ups. Be at the gym and ready to play before your scheduled time.
- \* Each round robin mini-match is only 40 minutes with best of three sets. Pools will play 15 point sets (capped at 15) with a third set to 10.
- \* After the round robin the top two teams from each pool advance to semi-finals. The bottom two teams each get one more game (3rd vs 3rd and 4th vs 4th).
- \* If the final matches are able to start **20 minutes early** please play to 25 points best of three sets, no cap, with the third set played to 15. If the **games are starting on time**, please play as you had during the round robin (15 point sets (capped at 15) with a third set to 10). I will leave this up to the discretion of the teams involved (as to have some great games, but ensure the tournament does not fall behind).

### **MINI MATCH RULES AND REGULATIONS**

1. The league is open to all persons over the age of 16.
2. Each mini-set must start on time, there is no allocated time for warm-ups.
3. A match win is determined to be the team that:
  - o A: Wins both sets
  - o B: Scores the most combined points
  - o C: Coin-Toss
4. The final scores of each set must be recorded on the paper by the gym doors.
5. Matches are 40 minutes in length. If a set runs more than 5 minutes long, it should be stopped and the team ahead will be given the win for that set.

6. Each team must have three members of each gender on the court for all sets. A team may place three members of one gender, and two of the other gender on the court in order to play a match. If a player is injured during play that day, the team may continue without the injured player without any default consequences.
  7. A regular, consistent system player of player rotation may be used during sets rather than the VC/ SVA rules for player rotation.
  8. Teams will be responsible for supplying their own volleyballs.
  9. Teams must be warmed up and ready to play at the indicated start times.
  10. Players may only register with one team in this league.
  11. To avoid accidents on the court, players may not enter an adjacent court to play a ball when a match is being played on the adjacent court.
  12. If a ball from another court enters your court, play will be stopped, and the point will be replayed.
  13. Players are allowed to set the ball on serve receive.
  14. This league plays on the honour system, and as such requires each player to call his or her own infractions.
  15. SVA co-ed volleyball rules will be in effect, unless otherwise noted.
  16. Due to insurance regulations, players **are not** allowed to wear hats.
  17. Penalty assessed to a team for being late:
    - 10 Minutes Late - 1 Set
    - 15 Minutes Late - The Match
- Only Players on your roster can play in sets/playoffs.
